samuelboedihardjo@gmail.com

I am an Industrial Engineering and Management student at National Taipei University of Technology, seeking an internship with a company that values growth and professional development. My goal is to gain hands-on experience in applying industrial engineering principles, optimize manufacturing and operational processes, and develop a deeper understanding of market trends. Through this opportunity, I aim to enhance my problem-solving skills, improve efficiency in production workflows, and contribute meaningfully to the organization while continuously learning in a dynamic environment.

Work Experience

Factory Operations Assistant • PT Hasanayu Putri Jelita

June 2023 - July 2023 | Taipei, Taiwan

- Monitored and analyzed production flow to identify inefficiencies and recommend process improvements.
- Assisted in optimizing workflows to enhance productivity and reduce bottlenecks.
- Gained hands-on experience in inventory management, ensuring materials were tracked and available for production needs.
- Worked closely with supervisors and team members to implement efficiency strategies while maintaining quality standards.

Manufacturing Assistant • Unimicron

六月 2022 - 八月 2022 | Taipei, Taiwan

- Assisted in the cleaning and quality control of Printed Circuit Boards (PCBs), ensuring compliance with industry standards.
- Followed standardized operating procedures to maintain efficiency and minimize defects in the production process.
- Worked collaboratively with production teams to meet daily output targets and maintain a safe, organized workspace.
- Gained hands-on experience in manufacturing processes and quality assurance, strengthening problem-solving and attention-to-detail skills.

Education

國立臺北科技大學(National Taipei University of Technology, Taipei Tech)

Industrial Engineering and Management • 2021 - 2025

Hard Skills

- Microsoft Office (Word, PowerPoint, Excel)
- Google Drive

Soft Skills

- Team Work
- Time Management

- python programming
- VBA for Excel
- Adaptability
- Attention to Detail
- Problem Solving

Languages

- Indonesian — Native/Bilingual
- English — Advanced/Fluent
- Chinese — Beginner/Basic
