TAMAN PONDOK JATI BB-5, GELURAN, TAMAN, SIDOARJO, JAWA TIMUR 61257

Undergraduate Computer Science student at Petra Christian University, passionate about solving real-world management and operational challenges with technology-driven solutions, including websites and applications. Interested in full-stack development, eager to expand skills in both frontend and backend technologies. Continuously seeking learning opportunities to enhance technical expertise.

Work Experiences

Cross Network Indonesia - Surabaya, Indonesia

Aug 2024 - Present

Back-end developer

A company that specializes in designing computer hardware and software for various requests, also offers computer resources for rental.

- Developed and deployed a progressive web app for Sidang Jemaat Allah Church, improving administrative efficiency by 30% and streamlining congregation management.
- Built using Svelte (frontend), Go (backend), and MySQL (database), gaining hands-on experience in full-stack web development.
- Collaborated in a 5-person agile team (3 frontend, 2 backend), enhancing communication skills through regular stand-ups and code reviews.
- Successfully deployed on a company-provided VPS, ensuring 99.9% uptime and secure remote access for over 50 active users.

Education Level

Petra Christian University - Surabaya, Indonesia

Aug 2022 - Sep 2026 (Expected)

Bachelor of Computer Science, Full-Stack Web Development Concentration, 3.31/4.00

Organisational Experience

Servant Leadership Training 2024 - Surabaya, Indonesia

Dec 2023 - Jan 2024

Equipment Division Committee

Student Basic Management Skill Training program enforced by the Indonesian Minister of Education.

- Managed multimedia equipment to support a class of around 60 participants, ensuring all sessions ran smoothly.
- Set up and operated tools for presentations, videos, and live broadcasts, ensuring seamless engagement for both in-person and remote participants. Quickly resolved technical issues, minimizing disruptions and helping instructors stay on schedule.

Dynamic Career 2024 - Surabaya, Indonesia

May 2024 - Jun 2024

Equipment Division Committee

Seminar about 'The Age of Digital Transformation'

- Operated audio, lighting, and visual equipment for seminars, supporting 50+ attendees, and ensuring a smooth event flow. Quickly handled technical issues, maintaining a 0% failure rate and helping speakers and organizers stay on schedule without interruptions.
- Set up and managed microphones, projectors, and lighting to create a professional and comfortable environment for seminar attendees. 60% of attendees reported a positive experience, citing comfort and professionalism in a post-event survey.

Welcome Grateful Generation 2023 - Surabaya, Indonesia

Jun 2023 - Jul 2023

Peran Division Committee

Welcoming event for new students at Petra Christian University.

- Mentored a group of 6 first-year students, helping them adjust to campus life, understand academic resources, and improve their academic performance by 10% in their first semester, as measured by their grades or feedback.
