Hi Agnes,

Sorry i'll be available to send our Sales Contract by tomorrow.

By the way, let me inform you about the price. At the moment i'm still consider to keep the same price for 30 gsm as May'26-Jun'26 delivery Usd. 0.09690/m2 for this new order, but to be frank with you since we will buy the raw material for this order on June'26 i'll put note on the Sales contract that price subject to be reviewed. If our Jun'26 raw material purchase price doesn't get another price increment then i'll support you with that price.

Hope you could understand. Thank you.

Best Regards,
Oko Setiaboedi.
